**Discounts:** A 20% discount is available for cosmetic extras, such as tints, coatings and other add-on charges to standard lenses, after Covered Services are rendered. The discount may be applied to charges for the frame or contact lenses (except disposable or replacement contact lenses) over the stated allowances.

The 20% discount also applies to additional pairs of glasses and/or pairs of standard contact lenses. To determine whether a provider offers the 20% discount, an insured individual can review their Participating Provider Directory, call MESVision or visit [www.mesvision.com](http://www.mesvision.com).

A 15% discount is available for LASIK surgery through TLCVision centers.
